My case in Woburn on the 26th has been continued, so I am free that day as well. Just thought I'd let you know.

Hi Sonja,

Thanks, that's very helpful to know. As of now, the case has been sent to a trial session...it is backed up behind about 3 or 4 other cases. I don't anticipate it will start early next week given the line-up, but if things change or we are catapulted to the top of the list somehow, I'll send out a flare. No worries. Thanks Sonja!

Hi Eileen-

I'm not sure what the status of the A [REDACTED] case is, but I found out that I will be needed in Springfield Superior Court on 7/25/11 (and not the 26th), and that, if the case does not plea, I will be in Woburn Superior Court on 7/26/11. I should know sometime on Friday if the Woburn case has pled or not. I now also have a Holyoke District case scheduled for 8/3/11. Hope this helps.

Eileen-

Here's my updated schedule for the next few weeks:

7/19 Westfield District
7/19 Belchertown District

7/22 Middlesex Superior – Woburn (the ADA is pretty sure that he won't need me until the 25th or 26th, + chance of plea)

7/25 (or 7/26) Springfield Superior

7/26 Chicopee District

7/27 Springfield District

7/28 dr. appt at 8:30am

8/2 Springfield District

Most likely the Westfield, Belchertown, and Chicopee (as well as Springfield) District cases won't go, but I am a little concerned about the 2 Superior Court trials on the 25th and 26th. ADA Doran knows about it, and I've contacted the ADA in Woburn to try to get a better grip on what will actually be going on. Also, for the district cases, they are normally done before lunch so the afternoons are relatively open. Hope this helps.

Hi Sonja...Thanks for sending the information packet...I hope it wasn't a pain. I wanted to give you the heads up on the Andrews case...it is coming up for trial next week on the 18th, but will first be sent to a trial session, which means it could be backed up behind other cases. Based on the schedule you sent me last month, it looks like you are occupied on the 19th. This case may start the middle to latter half of next week. Would that pose a problem? If it does, let me know...I'll work around any obligations you have.

Hope all is well. Thanks!

-Eileen

If by "the write-up on the underlying data associated with the analysis on this case" you mean a discovery packet, no problem. If not, let me know. I'll probably be able to get it done this morning and I shouldn't have any trouble faxing it to you (by first glance, it doesn't look like it will be that lengthy).

Hi Sonja,

This case is coming up for trial, but it probably won't be until after the July 4th week. Could you send me the write-up on the underlying data associated with the analysis on this case? The defense counsel asked for it, but very late...the judge was not happy with him but asked that I make an effort to get the documents as soon as I could. I think you faxed it to me the last time (#781-4745). I'll keep you posted on the next date. Thanks!

Hope all is well.

-Eileen
